OFFICE OF THE PRESIDENT

TO: New Students

FROM: Dr. Ronald L. Applbaum, President

RE: "Who's New on Campus 1995"

I'm pleased to have the opportunity to welcome you to Westfield State College. Our mission is to educate students in a very special way. We believe in the importance of the individual and the need for the educational process to nurture the development of your mind, body and soul. As a college community, we are dedicated to providing you with meaningful and challenging opportunities for personal growth.

During your tenure at WSC, we will offer you a firm foundation for a productive career and life-long learning, a sense of engagement with the intellectual currents of the times, an appreciation of the cultural diversity of our community and a commitment to social responsibility and service in our society. The College also will attempt to provide you with a personable and supportive environment for academic and social development.

We encourage informal and personal as well as intellectual interaction between students, faculty and staff. It is a community in which we all are striving to challenge one another and hold one another accountable.

We encourage you to participate in extracurricular activities that build individual character and promote cooperative spirit. Many students develop their leadership skills through participation in student government. Others play one or more of the various sports offered in our athletics programs. Chorus, drama and community service programs also provide our students with diverse opportunities to grow.

As you begin this year, you should know that the college environment is a reflection of its students, faculty and staff. As a member of the college community, you need to look carefully at the type of environment you want to create and foster. You need to work with other members of the campus to create a climate that is alive, vibrant, purposeful and responsive. Together, we can create at WSC a climate which is intellectually and socially vital.

At WSC, we want students to be concerned about and sensitive to each other -- to build a caring community. Students need to celebrate diversity, reject prejudice and provide for the needs of all members of the campus. We need to recognize the value of each student and the richness of the whole. We need to foster and promote recognition, understanding and tolerance of differences.

As the President, I want you to take advantage of the opportunities provided by Westfield State College. I want you to become an active participant in all aspects of the educational, social and cultural life of our campus community. My hope is that our educational philosophy, the design of our programs, and the caring of our staff will assist you in the achievement of your goals.

WSC

You've Finally Made It

As you become a member of the Freshmen Class you are entering one of the most exciting and "scariest" times of your life.

- "I'm finally on my own."
- "I'm my own boss."
- "Nobody is going to tell me what to do."
- "Can I handle this new freedom?"
- "Will I get lost in the shuffle?"
- "Will I be around next year to call myself a sophomore?"

These and many more questions must be invading your thoughts as you make the big leap into college.

At this early point in your college life you are probably thinking that the exciting and good times apply to me and that the scary aspects only apply to "that kid that I saw during orientation that was alone and looking lost". Unfortunately, most freshmen experience some days that make them question the wisdom of their choice.

- "I could have stayed at home and gotten a job."
- "I surely miss my boyfriend/girlfriend."
- "These courses are a lot tougher than in high school."

You are fortunate to have chosen a school that can provide you with the excitement that you anticipate and the "friendly faces" to minimize the scary times.

Get started on the right foot and next year at this time you can be telling the bewildered-looking freshmen how you survived the first-year to now call yourself a sophomore.

••STUDENT LIFE••

Westfield State College Division of Student Affairs

The Division of Student Affairs offers the college community a wide range of services and student development opportunities administered by full-time staff associated with one or more department offices located in the Ely building and throughout the College campus.

The Office of the Vice President of Student Affairs (Ely 236) oversees the administration of such offices as Campus Center, Career Services, Residential Life, Substance Abuse, Health Services and Public Safety as well as special services including College ID card operations, Judicial Affairs, The Owls Program, Veterans' Affairs, and publication of the WSC Student Handbook (Ely 130), and the National Student Exchange program (Ely 132).

Career Services

The Office of Career Services (Ely 146) offers registered students and alumni a resource center for career guidance, occupational exploration, job search preparation, and employment referral.

Residential Life

The Department of Residential Life (Scanlon 1 Annex) is responsible for residence hall services, programs, and the overall management of campus residence halls. Residential Life is also the home of the new, undergraduate student Orientation Program at this college.

Health Services

The Office of Health Services (Scanlon Infirmary), open 24 hours a day during the Fall and Spring terms, provides medical care for students and health information for the College community concentrating on wellness and prevention of illness, counseling and referrals. If you're not feeling well, stop by Health Services or call Ext. 5415. No appointment is necessary.

Department of Public Safety

The Department of Public Safety is responsible for the safety of those who live, work, or visit the campus of Westfield State College. The department has three major components: Campus Police, Residence Halls Security Officers and Student Security. The department is also responsible for the issue and sale of Parking Decals, other associated services, and for enforcing the parking policies of the College and of the Commonwealth. The department strives to have a close working relationship with students, faculty and staff and therefore sponsors crime prevention programs as well as other programs and activities which maximize a partnership in assuring a safe and tranquil campus community. Shuttles are provided to various parking areas, and there is an escort service provided for students desiring to reach various parts of the campus. Officers are empowered to make arrests, if required and to perform many of the services found in most small communities.

The Department of Public Safety is here to assist you wherever possible. Please make use of the many services we provide.

George W. Sicaras
Executive Director

LOCATION: The Department is located in Parenzo Hall, room P-1. Call extension **5555** for emergencies and extension **5262** for general assistance.

ACADEMIC ACHIEVEMENT CENTER

FOR A BRIGHTER FUTURE

"Education is our passport to the future, for tomorrow belongs to the people who prepare for it today." Malcolm X

"As long as one keeps searching, the answers come." Joan Baez

Academic advising is an integral part in the success of a student's academic career. The Academic Achievement Center (AAC) (Parenzo 102) provides a warm and supportive environment for students to explore academic opportunities as well as to plot strategies for continued growth.

The staff of the AAC has as its primary mission the growth and development of the student and places the utmost priority on the needs and concerns of the student.

Academic Advising

COUNSELING SERVICES

Dr. Jacqueline R. Sheehan, Director
Lammers Hall Annex

The Counseling Service Center helps students make the most of their education through psychological skill development and personal growth. We are concerned with the education of the "whole student" with the integration of learning and living. Besides working to reduce or eliminate problems that interfere with learning, we attempt to use the problems students bring to us to enhance their problem solving skills and their personal resources. The Center offers short-term counseling on an individual basis as well as group counseling. Your relationship with Counseling Services is confidential unless you give written permission for it to be shared, or in certain life or death emergencies, or by court order. Another important function of psychological counseling is referral. If someone else on campus or in the community can help you with your concerns, counselors will help connect you with that person or office.

TUTORING

The Tutoring Center is operated by professional staff and supplemented with approximately 70 peer tutors. Academic assistance is offered in writing, study skills and mathematics. Tutoring is also available in all areas of the college curriculum. The College also coordinates the provision of support services to students who are physically challenged and learning disabled.

The Tutoring Center is located in Wilson 235, Ext. 5391.

OFFICE OF SUBSTANCE ABUSE PREVENTION OSAP

The Office of Substance Abuse Prevention works in two ways for the campus. OSAP seeks to work with students to prevent alcohol and other drug problems, and to provide support for those students who have already developed a problem. As a part of the Counseling Center department OSAP offers individual counseling for substance related problems. OSAP works with cooperation from both Academic and Student Affairs in trying to change the campus climate with regard to alcohol and other drugs. Ongoing projects within the office include curriculum infusion, wellness management and advertising for non-alcoholic programs on campus. The office is located within the Counseling Center.

ELY CAMPUS CENTER—Take A Look

ROLE OF THE CAMPUS CENTER

The Campus Center is the community center of the college, for all members of the college family—students, faculty, administration, alumni, and guests. It is not just a building; it is also an organization and a program. Together they represent a well-considered plan for the community life of the college.

As the “living room” of the college, the Campus Center provides for the services, conveniences, and amenities the members of the college family need in their daily life on the campus and for getting to know and understand one another through informal association outside the classroom.

The Campus Center is part of the educational program of the college. As the center of college community life, it serves as a laboratory of citizenship, training students in social responsibility and for leadership in our community. Through its advisory board, committees, and staff, it provides a cultural, social, and recreational program, aiming to make free time activity a cooperative factor with academic study. In all of its processes, the Campus Center encourages self-directed student activity, giving maximum opportunity for self-realization and for growth in individual social competency and group effectiveness. Its goal is the development of persons as well as intellects.

The Campus Center serves as a unifying force in the life of the college, cultivating enduring regard for, and loyalty to, the college.

CAMPUS CENTER HOURS OF OPERATION

SUN	12:00 p.m.	—	1:00 a.m.
MON-THU	6:00 a.m.	—	1:00 a.m.
FRI	6:00 a.m.	—	2:00 a.m.
SAT	10:00 a.m.	—	1:00 a.m.

For specific hours of operation of individual service areas and offices within the Campus Center, call the Campus Center Information Desk (572-5440).

CAMPUS CENTER STAFF

The Campus Center is administered by full-time staff and approximately 100 student employee. Applications for Campus Center student employment are available in Ely-132. Two collegewide advisory boards serve the Campus Center. BOG, the Campus Center Board of Governors, advises Campus Center staff on matters pertaining to Campus Center regulations and standard operating procedures. CAB, the Campus Activities Board, advises and collaborates with Campus Center staff on all matters pertaining to programming campus activities September through May.

CAMPUS CENTER PROGRAMS

Funded in whole, or in part, by the Student Union Trust Fund under the auspice of the Division of Student Affairs, the Department of Campus Center offers student activity programming in cooperation or consultation with the Westfield State College Student Government Association, the Ely Campus Center Board of Governors, and the Campus Activities Board.

Special Events

Unique performing artists and lecturers are scheduled throughout the academic year to appear at the College. All programs sponsored by the Campus Center including Special Events are publicized in the Westfield State College Campus Activities Calendar. Admission charges vary depending on the cost of each program offered.

"Sunday Night Flicks"

Every Sunday night, one or more major motion pictures are presented on a big screen in the Ely Lab Theater. Refreshments and fresh popcorn may be purchased. Free admission.

"Theme Nights"

Occasional WSC Faculty/Staff or Guests offer presentations on current topics of interest. Free refreshments are provided. Free admission.

Varsity Athletics at Westfield State College—
Philosophy and Memberships

The 15 varsity teams compete in Division III of the NCAA, which emphasizes the involvement and impact of the athletic programs upon the participants rather than on satisfying the entertainment needs of the public. Since the status of any athletic team is not dependent upon gate receipts or other revenue, no team is relegated to the category of a "minor sport." In addition, no financial aid packages based on a student's athletic abilities are awarded in the NCAA Division III.

Westfield State College is also a member of the Eastern College Athletic Conference (ECAC), New England College Athletic Conference (NECAC) and the eight-team Massachusetts State College Athletic Conference (MASCAC). Other MASCAC schools are Bridgewater State, Fitchburg State, Framingham State, North Adams State, Mass Maritime, Salem State and Worcester State. Westfield State is well represented in MASCAC, competing in 12 of the conference's 14 sports.

Intramurals

Westfield State College has a broad spectrum intramurals program designed to meet the needs of the diversified student enrollment. More than 30 programs are offered throughout the academic calendar year providing competitive and recreational activities to all students, faculty, administrators, alumni and staff. The Jim Banacos Cup is awarded to the male and female teams which accumulate the most points during the school year. More than 80 percent of the students participate in intramural activities.

SPORTS

Here's Something to Cheer About!

Facilities

Westfield State's outdoor facilities rank with the finest in the region. The baseball and softball fields are located next to Alumni Field, the sight of many of the college's varsity and intramural competitions. The AstroTurf playing field has lights for night play and is encircled by an eight lane running track.

Other outdoor facilities include tennis, basketball and volleyball courts. Stanley Park, located adjacent to the complex, is also used by students and faculty for many recreational activities.

Indoor facilities include two gymnasiums, a swimming pool, and weightlifting areas in the residence halls.

Athletic Eligibility

To be eligible to participate in varsity athletics at Westfield State College, students must carry a minimum of 12 credit hours per semester, must pass a minimum of 24 credit hours per year, and must be in good academic standing and making reasonable progress toward a degree. Students on academic probation are ineligible for intramural competition.
